Principal Secretary

September 20, 2015

Dear Nathanael Greene Parents/Guardians:

Attached is the Nathanael Greene Elementary School 2015-2016 Home School Compact. We believe that “it takes a village” to ensure that all members of the school community reach their full potential. To this end, the compact outlines what each member of Greene’s school community, which includes students, parents/guardians, and school staff, faculty and the principal, will commit to in order to ensure that Greene continues to effectively serve all its members.

By signing this agreement with your child and his/her teacher, you are showing your child that education is important to you and that you agree with our commitment to provide the best possible education for all our students.

Please return the bottom part of the form, signed, to your child’s teacher.

Thank you,

Monique Jacob

Home/School Compact 2015-2016

We, the Nathanael Greene Elementary Community, support the concept that to empower each child to achieve his/her full potential, we must strengthen the partnership between the home and the school.

Consequently, we commit to the following actions:

As a student, I believe that I can learn and achieve high standards. To accomplish this, I will:

- Persevere to complete classwork and homework, thoroughly, and accurately to the best of my ability
- Read or be read to at least 15 minutes each day
- Show respect for myself, my school, and others by following school and classroom rules
- Come to school each day on time, prepared, and ready to learn
- Ask for help when needed
- Resolve conflicts in positive, peaceful ways
- Talk with parents/guardians regarding school activities and show them my work.

As a parent/guardian, I believe that my child can learn and achieve high standards. To support this, I will:

- Assist, check, and monitor homework
- Encourage family daily reading and limit television/video games
- Promote rules that are both consistent at home and support school rules
- Send my child to school regularly, on time, prepared, and ready to learn
- Communicate with and support my child's teacher
- Help my child resolve conflicts in a positive way
- Encourage my child to talk about their school day

As a teacher, I believe that each child can learn and achieve high standards. To ensure this, I will:

- Provide quality teaching to current standards
- Assign homework that reinforces the day's lessons
- Treat each child and their family with care and respect
- Communicate with parents in a variety of ways
- Instruct and encourage students to resolve conflicts in positive ways
- Foster a welcoming atmosphere for parents, students, and families

As Principal, I represent all at Nathanael Greene Elementary School staff in affirming this compact.
